## THE "SQUARE DEAL" CANDIDATE.

Thoroughly in keeping with the character of those who have attempted to defeat Senator T. L. Oddie in his fight for the Republican nomination for governor, a malicious lie was circulated yesterday to the effect that Mr. Oddie voted against a labor bill while a member of the state senate. This is true but the spreaders of the tale did not state that the reason was that the bill did not conform with the United States law and upon being amended and presented in proper form Mr. Oddie voted in favor of it.

According to the form of the bill on its first presentation, if passed, it would not have stood a test, but after amended it became a law that was urged by the laboring class.

To those who believe in clean politics, such an attempt is nauseating. Mr. Oddie's caliber is well known to the voters of southern Nevada, and in fact to every voter in this state. He is an ideal candidate for the governorship and throughout his campaign he has not stooped to a dirty trick, nor has he taken any unfair advantage. On the other hand, those who are fighting him, have taken every advantage afforded and a number of untruthful stories have been circulated. Contrary to the results expected, every attack on Oddie's character has acted as a boomerang and served in belittling the attacking party in the eyes of the voters.

On his thirteen-day trip, which took in thirteen counties, he met with a hearty welcome at every stop. The manliness, straightforwardness and honesty, as possessed by him, was known to all, and after a simple introduction these virtues could be read by one look upon his countenance. Each word uttered came from his heart and the handshake that accompanied an introduction, not the cold clammy kind, but one of firmness, bespoke the man.

Last evening following the public welcoming of Governor Oddie, many Democrats were heard to remark that they would vote for Oddie at the general election, and all expressed sorrow that they were unable to aid him at the primaries. This is the sentiment of practically every Democrat in the city, and like conditions exist in every community in the state.

T. L. Oddie is championing the cause of the people and his "square deal" platform is worthy of the vote of every Republican. Vote for him.

## LABOR DAY DANCE A GALA AFFAIR

The grand Labor day dance, held last evening at the Miners' Exchange hall, under the auspices of the local Miners' union, was a success in every way. That the crowd in attendance was enjoying the evening was evident from the hearty encores that followed each whirl and it was not until a late hour did the gathering finally disband. The Miners' union is blessed with having an efficient committee to look after the dances given, but none were enjoyed more than the affair of last evening, which netted a neat sum.

## MONDAY, SEPT. 5TH, WAS LABOR DAY

Yesterday, Monday, September 5, was Labor day and was observed in Tonopah by closing of the banks and county offices. There was no public demonstration, with the exception of the Tonopah Military band, which donated its services and dispensed music throughout the afternoon from different stations along Main street and Brougher avenue. The music was greatly appreciated and the band boys were deserving of the thanks they received.

## TONOPAH JUNIORS DEFEAT GOLDFIELDERS

The Tonopah Juniors upheld the reputation of this camp Sunday by defeating the Goldfield Juniors by a score of 20 to 10. Whether the full nine innings were played, could not be determined, but as it happened, the southerners were defeated in a decisive manner. The local boys intend going to Goldfield next Sunday for a return game.

Attorney George B. Thatcher, candidate for the Democratic nomination for attorney general, returned from Goldfield Sunday, after spending several days in that city.

## AL KAUFMAN IS GIVEN DECISION OVER BILL LONG

By Associated Press  
PHILADELPHIA, Sept. 5. — Al Kaufman tonight got the decision over Bill Long. In only one round, the second, did the Australian show to advantage. From this round to the close of the fight Kaufman had all the advantage. In the fifth Kaufman drove Long to the ropes, and had him in distress, but the Australian hung on to his opponent long enough to save himself from a probable knockout. Kaufman left the ring without a mark, while Long's face was badly marked.

## A STATEMENT.

During Cleve H. Baker's administration as Nye county's district attorney the burdens of the office have been larger and Nye county's financial condition has been more serious than under any other administration. The bank failures, the civil suits brought by outside banks against Nye county, growing out of the Nye and Ormsby County bank failure, together with a large amount of commercial business, will give you an idea of the work of his office. He has been untiring in his efforts. He has been fair and impartial, doing his duty with a high sense of justice to all, special favors to none. He fought fearlessly the strike breakers to the highest court. He has gained convictions in the most important criminal cases tried in this county, to wit: Mangana, sentenced to be hanged; Skinner, sentenced to fifty years' imprisonment, and Charlie White, convicted of murder in the second degree.

The grand jury in their report after an examination of the work in Mr. Baker's office, highly commended him for the efficient and capable administration of his duties, and we believe that that expression is heartily endorsed by the people and taxpayers of Nye county.
